

## OUR VIRTUAL CALL CENTER IS HIRING!

Many leading companies handle their customer service needs by partnering with [Arise Virtual Solutions](#). Arise then collaborates with businesses like The Job Loft to find individuals who want to work from home and connect them with companies in need of support. This opportunity means you are a customer service agent helping Fortune 500 companies problem-solve and troubleshoot with their consumers. Want to work for places like “The Happiest Place on Earth”, Big Cruise Lines, “Big Orange Box”? Here is your chance!

**In simple terms, you'll be working for a call center, from your own home, your own space on your own terms.**

This model benefits everyone—customers enjoy clear communication, and individuals who need flexibility or can't work outside the home have the chance to supplement or supplant their income.

**You choose how much you want to work and when you want to work.**

- Computer
- Quiet place to work
- Able to pass a background check
- Able to pass a drug test (not all clients require this)
